Fundraiser Challenge Program

The Polish National Union of America is proud to announce that funds have been set aside for a program designed to assist parishes of the Polish National Catholic Church. The program known as The Fund-Raiser Challenge Program is designed to provide funds to any of the PNCC parishes who wish to participate.

The Polish National Union of America will match funds raised by the PNCC at charitable events provided that the following criteria are met.

The event must be sponsored by a Polish National Catholic parish with a specific project named to benefit.

The event must include volunteer participation by members of one or more branches of the PNU.

The branch or branches participating must have adopted the event at a meeting as a participatory project.

Time must be allowed during the event, (at least 15 minutes) for a representative of the PNU to discuss the opportunities of membership in the Society.

An article with at least one event photo must be submitted to the Straż editor within 2 weeks of the event.

The parish associated with the event must have produced at least two new members within one year of a previous Fundraiser Challenge event provided that the event applied for is not the parishes' initial Fundraiser Challenge event.

Provided that the above criteria are met \$1 for each \$1 earned at the event will be donated up to a maximum of \$500

The funds will be available annually on a first come first served basis. Funds limited to one event per parish per year.

The program will be evaluated each year by the board of directors for renewal and funding.
